Explanatory Information

Membership Classification

Member amalgamation – HT&C Mutual

When two or more mutual insurance companies amalgamate, a new legal entity is created. Article II paragraph 6 of the corporate by-laws provides that in the event a Member company amalgamates with another insurance company, the Board of Directors may determine by resolution that the amalgamated entity shall be a single Non-voting Member of the Corporation.

Article II paragraph 4 of the corporate by-laws provides that the membership classification of a Non-voting Member may be changed to Voting Member upon the approval of the Voting Members by a **majority of votes cast** at a duly constituted special general meeting of members called for such purpose.

Through amalgamation, Hay Mutual Insurance Company and Town & Country Mutual Insurance Company created a new mutual insurance company under the name HT&C Mutual Insurance Company effective January 1, 2021.

On December 16, 2020, the Board of Directors approved the following resolutions with respect to HT&C Mutual Insurance Company:

As the effective legal or presumptive control of the mutual insurance company created by the amalgamation of Hay Mutual Insurance Company and Town & Country Mutual Insurance Company and operating under the name HT&C Mutual Insurance Company did not materially change and as HT&C Mutual Insurance Company meets the eligibility requirements defined in By-law Article II paragraph 1 and, in the judgement of the Board, the parameters described in By-law Article II subparagraph 3(a), HT&C Mutual Insurance Company is accepted as a non-voting and non-participating member effective January 1, 2021.

And that the voting and participating members present at a duly constituted special general meeting of members called for such purpose be asked to vote on the following:

THAT the membership classification of the mutual insurance company created by the amalgamation of Hay Mutual Insurance Company and Town and Country Mutual Insurance Company and operating under the

name HT&C Mutual Insurance Company be changed from non-voting and non-participating member to voting and participating Member effective January 1, 2021.

Voting Method

Company by-law

By-law Article III paragraph 2 states that voting at any meeting **shall** be by show of hands unless a poll vote is demanded, provided however that every election of directors shall be by ballot as required by the *Corporations Act*.

Voting method

Because this Special General Meeting is being hosted virtually, all voting will be done electronically via Lumi.

Once the voting has opened, the resolutions and voting choices will be displayed. To vote, simply select your voting direction from the options shown on screen. A confirmation message will appear to show your vote has been received. To change your vote, simply select another direction. If you wish to cancel your vote, press Cancel.

Historically, voting at a meeting of members has been by show of hands for any regular resolution, by poll vote for any “special resolution” and by ballot for election of directors. The *Corporations Act* defines a special resolution as a resolution passed by the directors and confirmed with or without variation by at least two-thirds of the votes cast at a general meeting of members of the corporation duly called for that purpose. The *Corporations Act* specifies matters, such as an amendment to letters patent, which must be approved by special resolution. In addition, the corporate by-laws require an amendment of by-laws to be approved by at least two-thirds of votes cast at a general meeting of members.

Voting at the March 24, 2021 Special General Meeting will be conducted electronically through the Lumi platform.
